

Park Crossing Swim and Racquet Club February, 2012 Newsletter

From the President's Desk

I hope this finds you well. The PCSRC Board of Director's has been very busy planning improvements for the club. The playground was totally renovated last Fall. We are making upgrades to both the pool and tennis courts also. You will see a change to the median directly in front of the clubhouse this Spring. We are planning to remove the overgrown shrubbery and replace it with new ones to better expose the clubhouse from the parkway. Plans are in the works to add a new monument which will replace the existing sign. We have plenty of socials planned over the next several weeks also. We look forward to seeing you at the club. Very truly yours..
